

NOTICE FOR ALL BOWLERS

APPROVED FOOTWEAR

As you are aware, we at Solander Lake Bowls Club are rightly proud of our 2 Greens which are of the highest quality.

Our Greenkeeper, Dan, has over 20 years' experience and continues to work very hard to maintain our Greens and provide us with a high standard playing surface.

To maintain this level and to avoid damage it is essential that we wear the correct footwear whilst playing and/or practicing at roll ups.

It has been noted that recently there are a number of bowlers who are wearing inappropriate footwear. While the overall numbers are relatively low, the trend seems to be increasing. This is of concern and cannot continue.

Whenever you are on the Greens, you **MUST** wear Bowls Australia (BA) Approved Footwear. Attached to this notice is a list of all bowls shoes which are currently approved by BA. If your shoes are not on the list they are not acceptable and you will need to take action immediately.

The Committees and the selectors on any given day will be looking to enforce this by asking potential offenders to inspect their shoes. Please don't be offended if someone taps you on the shoulder and asks to check your shoes.

Smooth soled thongs are acceptable for roll ups and other casual bowls activity.

If you have any questions please speak to our Greenkeeper, Dan or a member of your Bowls Committee.

YOUR CO-OPERATION IN THIS MATTER WOULD BE GREATLY APPRECIATED.
