

## **BADGE PRESENTATION PROCESS**

Badges are presented for the following:

- Veteran – 70 years old
- Superveteran – 80 years old
- Matriarch – 90 year old woman
- Patriarch – 90 year old man
- 10 years membership
- 20 years membership
- 25 years membership

I checked the membership list and created a document with all badges due this year (copy attached).

I put badges for the coming month in envelopes with name and type of badge on it. These are then kept in the cupboard labelled badges.

Check when the recipient is playing on or near the date and ask the selector on that day to present the badge.

Keep a track of how many badges will be needed for the year and ask the secretary to order more if the stock is getting low.
