- If game stopped, all cards are scored to the ends played. 8 ends, by any team, constitutes a game.

- Winners Prizes depends on the number of players as per the Prize Money Sheet.
- One prize only for any team.

NOTES

- **In the period from October to January when one green only is available, the formats may change for certain days.**
- On all days, if all games are not completed, but the numbers of ends played qualified as a game, then the lowest number of ends will be the number of ends that count in all games in determining the winners.
- If a **player withdraws** from a social bowls game and that game is unable to be completed, the following will apply:
 If the team the player was a member of was leading on the scorecard at the time of withdrawal, then the game is deemed as “Did Not Finish” and will not be eligible for prize money.
 If the team the player was a member of was losing at the time of withdrawal and the game had reached 16 ends, then the scorecard will count as at the number of ends complete and the opposition will be eligible for prize money. If 16 ends was not reached, then the game is deemed as “Did Not Finish” and will not be eligible for prize money.
